

Pete Chambers
AHEPA District 3 Governor

I joined the AHEPA family in the 60's with some friends to activate the Sons of Pericles chapter associated with Worthington Chapter 30. I served as a Son in all the executive positions and became an AHEPAN as soon as I came of age in 1973. In my 35 years as an AHEPAN I have been a member of the Worthington Chapter 30 in Baltimore Maryland and the Peter Derzes Chapter 438 of Falls Church Virginia. I have held various offices, been a member and chair of various committees in the AHEPA and now serve as District Governor.

It is an honor to be associated with an organization that does philanthropy and promotes Hellenism.
